Hot Pink 'em™

Hot Pepper Defense Spray

with

Visible **Pink** Dye Skin Marker

SEE THE DIFFERENCE™

ACTIVE INGREDIENTS: **VISIBLE PINK SKIN DYE MARKER**, Red Hot Pepper Irritant (Oleoresin Capsicum).

NOTICE: BEFORE USING READ INSTRUCTIONS INSIDE.

CAUTION: CONTENTS UNDER PRESSURE. Do not puncture or incinerate can. Do not store or expose to heat at temperatures above 120°F. Discard unit four years after production date marked on unit in an environmentally responsible manner.

IRRITANT. INHALATION HAZARD. FLAMMABLE.
KEEP OUT OF REACH OF CHILDREN.

STRONG IRRITANT: Causes eyes, skin and respiratory tract irritation. In case of exposure: Remove contaminated clothing; wash clothing prior to re-wearing to prevent re-exposure to irritant. **EYE:** remove contact lenses and discard, gently flush eyes with plenty of cool water for at least 20 minutes; **SKIN:** immediately flush skin with plenty of cool water, wash with soap and cold water, repeat if necessary, expose to fresh air. **CAUTION: Do not rub. Do not use creams, salves or oils which may lock in the irritant agent and prolong skin contact which could cause blisters, burns or skin injury. Failure to follow these instructions may result in first or second degree burns, severe skin irritation, depigmentation or other skin injury!** **RESPIRATORY:** If inhaled, move to fresh air; if **Not breathing**, give artificial respiration; if **Difficulty breathing**, give oxygen. **SEEK MEDICAL ATTENTION.**

WARNING: This weapon is for self-defense purposes only. The use of this substance or device for any purpose other than self-defense is a crime under the law. The contents are dangerous — use with care. Federal law prohibits possession on passenger aircraft. Check local law enforcement jurisdiction for active penal codes detailing age of possession and purchase, and other requirements.

HOW DOES Hot Pink 'em INCREASE PROTECTION & SAFETY?

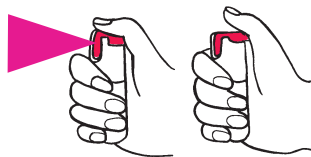

HOT pepper extract is a strong inflammatory agent that affects the eyes, respiratory system and mucous membranes for up to one hour thereby causing a burning sensation and tearing of the eyes, impaired breathing and coughing, mucous discharge from the nose and stinging skin. In short, the general idea is to incapacitate an assailant and escape to safety. Meanwhile, the **visible PINK skin dye** marks the assailant making it obvious that foul play was involved. Spray assailant within 8 feet from yourself in the eyes and face, keep away from the assailant and escape while allowing several seconds for the inflammatory action to take effect. Pain tolerances and effectiveness vary among drugged, intoxicated and enraged people.

DIRECTIONS: Rotate red actuator switch counter-clockwise from the marked **'lock' safety** position to the **ready-to-fire** position. Hold can vertically. With 5 seconds total spray time, use multiple short 1/2 second bursts by pressing switch down with thumb where marked **'press'** to activate spray action. Spray assailant's eyes, face, and skin. **Keep safe distance from assailant. Escape at once. Do not attempt capture of assailant. Call Police.** Maximum effective range of stream spray pattern is 8 feet. **Shield face when firing into wind.** Use switch in **'lock' safety** position for storage and prevention of accidental discharge. The unit is intended to be used for only one self protection event. Do not save unused portion for use again because the quantity of remaining irritant and propellant cannot be determined. Visit website for detailed information before using.

Areas

Maximum Effective
Range: 8 - 10 Feet

CARE, MAINTENANCE & STORAGE

CAUTION: Dangerous weapon — handle with caution. Each unit is marked with a production date stamp. The unit should be discarded four years after that date. Consult your waste disposal service and dispose in an environmentally respectful manner in accordance with local, state and federal regulations. Keep unit clean and never tamper with the spray head actuator. Do not expose to temperatures exceeding 120°F which could cause leakage, rupture or exposure. Familiarize yourself with the first aid procedures. Store and transport the unit with the actuator in the **'lock' safety** position.

PERSONAL SAFETY CONSIDERATIONS

BE PREPARED. If a questionable situation occurs, have the unit concealed in hand, out of sight and ready to switch to fire position. Surprise is an important element in defense! Once the situation is deemed life threatening — fire it, don't hesitate! **Keep safe distance from assailant. Escape Immediately. Do not attempt capture of assailant. Call Police.** Pepper is effective and will increase protection from physical attack but it should be only part of a complete self-protection plan. Visit website for detailed information before using.

LIMITED LIABILITY

Enhanced Defense Sprays, LLC warrants that your purchased unit shall be free from defects in materials and workmanship for a period of three years from date of purchase. The shelf life of the product expires four years past the production date marked on the unit. The product should be discarded after that shelf life expiration timeframe. Any implied warranties, including those of merchantability or fitness for a particular purpose are also limited to the three year warranty. Any action must be commenced within 60 days following the three year warranty period starting from the date of purchase. Enhanced Defense Sprays, LLC obligation under this warranty is limited to replacement of the defective unit which is returned to Enhanced Defense Sprays, LLC within 60 days following the three year warranty period. The above remedy is exclusive and shall not apply if the unit has been subject to misuse or abuse. Under no circumstances shall Enhanced Defense Sprays, LLC be responsible for incidental or consequential damages with respect to economic loss or injury to person or property, whether as a result of breach of express or implied warranty, negligence, or otherwise. Enhanced Defense Sprays, LLC will not be responsible for the result of careless handling or unreasonable use. This warranty gives you specific rights, and you may also have other rights which vary from state to state. Some states do not allow time limitations on an implied warranty, or the exclusion or limitation of incidental or consequential damage, so the above exclusions may not apply to you. Visit website and read detailed versions of Limited Liability, Directions, First Aid, Instructions and other documents before using product.
